MEMORANDUM FOR: Chief, [REDACTED] OTE

FROM: [REDACTED]
Director of Training and Education

SUBJECT: OTE DO Evaluation Panel

1. OTE has been carefully reviewing the panel systems within the office. In restructuring the panel system, an effort was made to include officers on panels who were not in the supervisory chain for those being evaluated. In view of that, I have decided to add an additional member to the current panel which evaluates DO officers assigned to OTE. For the GS-15 evaluations, [REDACTED] DDC, will be a member of the panel; for those below the GS-15 level, [REDACTED] C/CTD, will serve on the panel (in addition to the current members, [REDACTED] C/WOTD).

2. With the increasing number of individuals on rotation from the DO to components other [REDACTED] I think it is important to have an individual who is not aligned with either of those divisions.
